

My BEST FRIEND is me

Sue Malcolm

(You can be your own best friend. This light, sing-along tune is a nice way to start thinking about it.)

(Chorus:)

I have a best friend, my best friend is me. We're al - ways to - ge - ther, as
 close as can be. I'm ne - ver a - lone, 'cause my best friend's with me.

(1st verse:)

I have a best friend, my best friend is me. My best friend knows each lit-tle
 thing a - bout me. My thoughts my fee-lings, my hopes and my dreams. Kept deep in-side, where
 no - one can see, I have a best friend, my best friend is me.

(2nd verse:)

I like to take care of my best friend; that's me
 I wash and I scrub and I brush my teeth
 I eat lots of good food and get lots of sleep
 I like to take care of my best friend; that's me.

(3rd verse:)

When I'm feeling sad, I do nice things for me
 To cheer myself up, I'm as nice as can be
 Wherever I go; at home or away
 I'll always be me and I like it that way.
